Dear Sir:

Applicants and the undersigned are aware of "patents, publications, or other information" which they believe may be material to the examination of the above-identified application. Copies of these items, and one sheet of Form PTO-1449 listing them, were submitted with the parent case U. S. Serial No. 10/114,836 pursuant to 37 C.F.R. §§ 1.97-1.99 and to the duty of disclosure set forth in 37. C.F.R. § 1.56. This document is filed again for this application pursuant to Applicant's duty of disclosure.

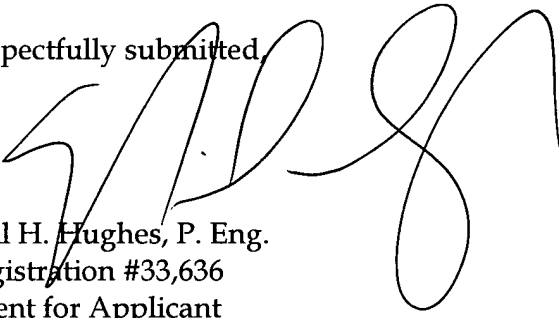

If a fee is required for the filing of this information disclosure statement, please obtain such fee from Deposit Account 08-3255 and advise Applicant's Agent.

In accordance with 1.98(d), the documents referred to therein are not included and can be examined in the prosecution file history of Patent Application 10/114,936.

Although this Information Disclosure Statement identifies references which may be "material," it is not intended to constitute an admission that any patent, publication, or other information referred to is "prior art" (within the meaning of 35 U.S.C. §102 and §103) as to the invention disclosed and claimed in this application unless specifically designated as such. Moreover, no representation is intended as to the relative relevance of any portion of the references or as to the relevance among references, whether cited in this Statement or elsewhere.

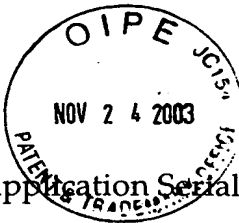

In accordance with 37 C.F.R. §1.97(b), the filing of this Information Disclosure Statement shall not be construed to mean that a novelty search has been made or that no other information which may be material (as defined in 37 C.F.R. §1.56(a)) exists.

Respectfully submitted,
